

OPTICOLOUR
CONTEMPORARY GLASS WALL COVERINGS

01225 464343 sales@opticolour.co.uk

Our service

Making the best products possible, from kitchen wall coverings to glass shower panels, is just one part of our job. Providing an impeccable level of service is also a top priority for our team, and we try to be as helpful and accommodating as we can. Every single job is important to us and we will always go the extra mile to ensure an excellent result.

Our promises

- Our staff are polite, friendly and helpful at all times
- We stay in contact - we answer enquiries as quickly as possible and update customers regularly
- We are happy to give as much advice and guidance as required
- We can provide a quick turnaround and won't keep you waiting for your order
- We give as much warning as we can of on-site appointments and will always try to visit at a convenient time
- We are conscious that other tradespeople might be on-site, too, and will do our best to work around them;
we are very experienced at cooperating and liaising with other trades
- We do all we can to keep your project moving, including reattaching sockets, taps and switches where required, for instance over kitchen wall coverings and glass shower panels
- We respect our customers' property - we clean up and never leave a mess behind
- We don't believe in hard sell and won't bombard you with marketing emails, phone calls or letters
- We offer a 10-year product guarantee against colour deterioration and a 10-year installation guarantee against faulty fitting
- In the unlikely event that something goes wrong, we will do our very best to rectify the situation as quickly and painlessly as possible
